1. Please work together.
2. Read step one and show your partner how to do it on your phone.
3. Do all the steps.

<p>1. Open the Photos/Gallery app.</p>	<p>iPhone</p>  <p>Android</p>  	 Tap x1
<p>2. Make a photo bigger.</p>	  bigger 	 Tap x2  or
<p>3. Make the photo smaller again.</p>	  smaller 	 Tap x2  or
<p>4. Make the photo bigger again.</p>	  bigger 	 Tap x2

Module 6-Literacy-CLB 1-Digital Skill 2-Practice-Handout

<p>5. Look at the picture more closely</p> <p>a. See left side of photo</p>		 <p>Hold and drag right</p>	
<p>b. See right side of photo</p>		 <p>Hold and drag left</p>	
<p>c. See upper part of photo</p>		 <p>Hold and drag down</p>	
<p>d. See lower part of photo</p>		 <p>Hold and drag up</p>	
<p>6. Go back to the home screen.</p>	<p>iPhone</p> 	<p>Android</p> 	 <p>Tap home button</p>

	iPhone	Android	iPhone	Android
7. Close the photos app.				
a. Find the photos app.				
b. Swipe up or swipe right to close.				
8. Move the photos app to another place.				
a. Find photos app on home screen.				
b. Tap, hold and drag the app.				

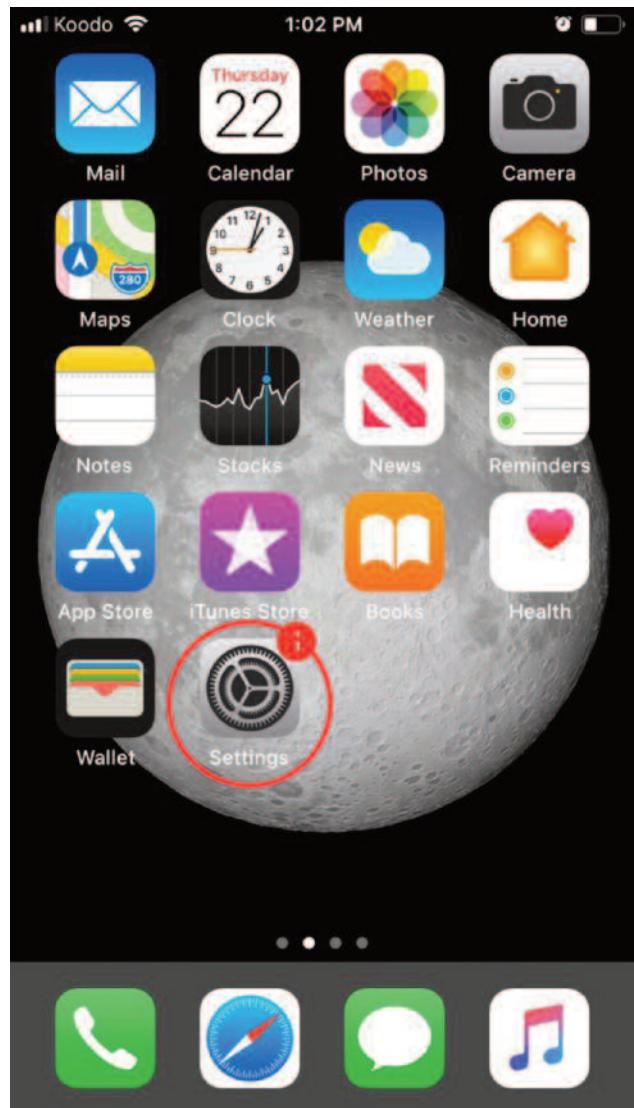

Connect to a WiFi Network

1. Tap Settings

Android

iPhone

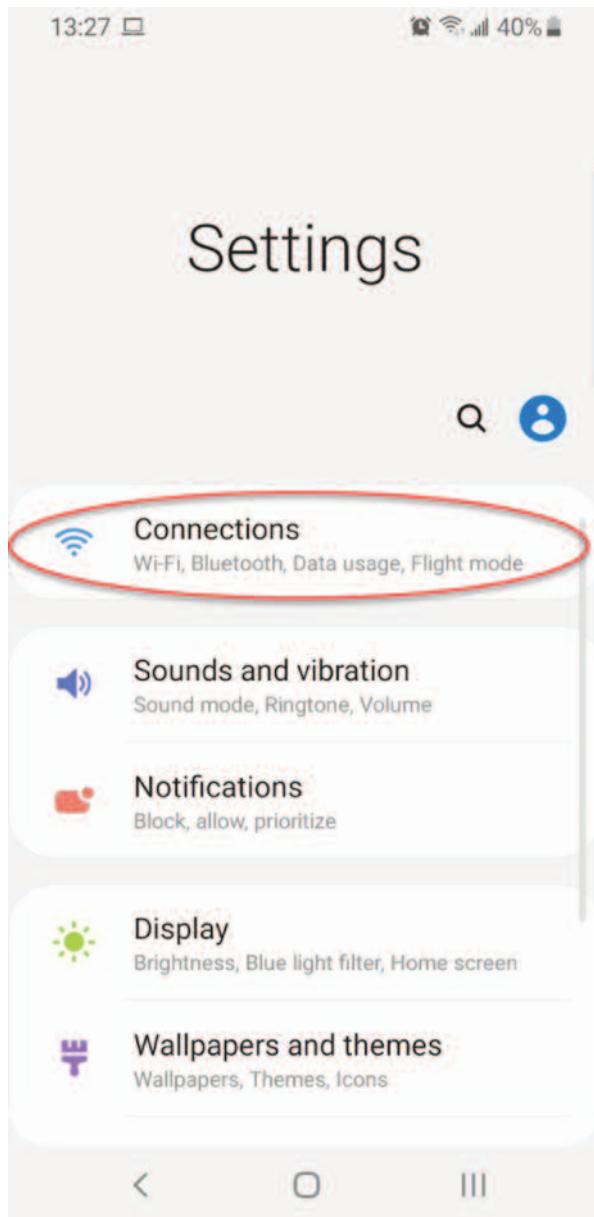

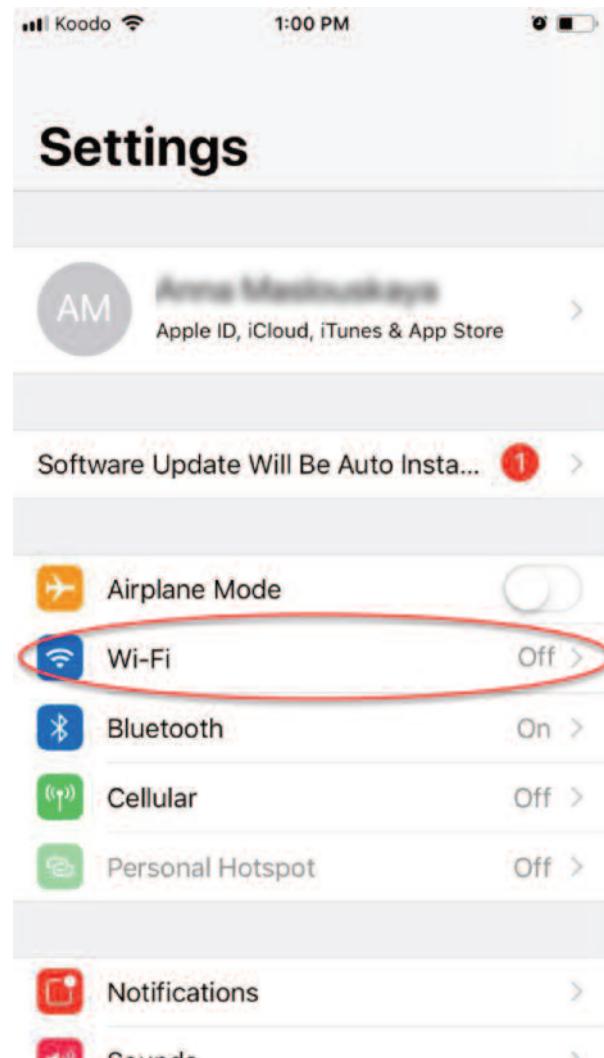

Connect to a WiFi Network

2. Tap Connections / Wi-Fi

Android

iPhone

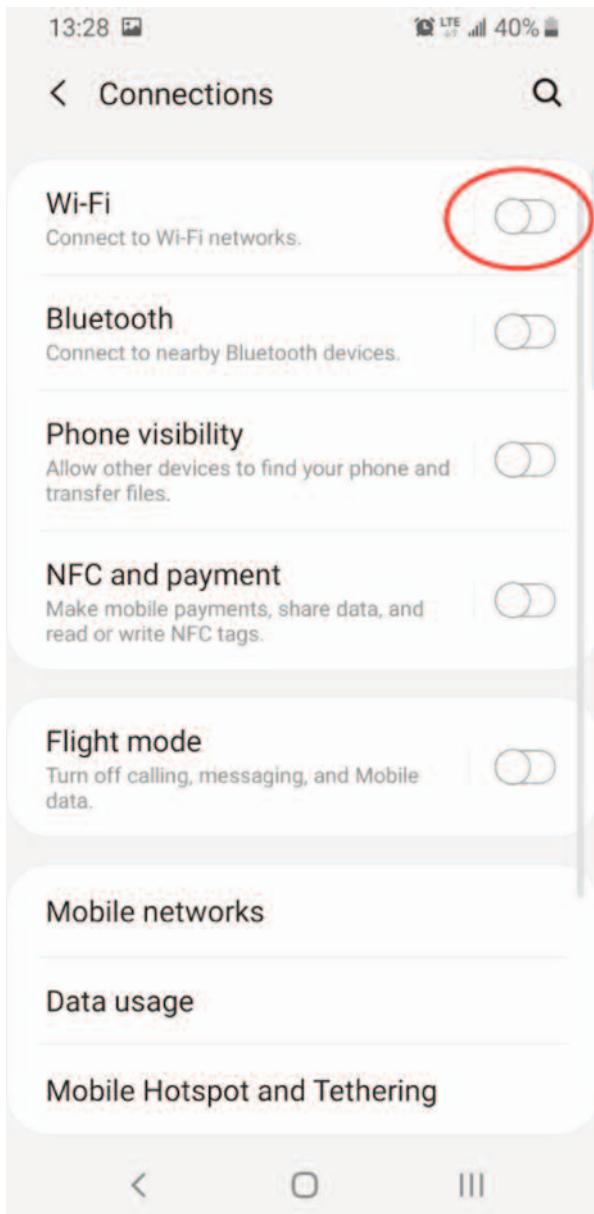

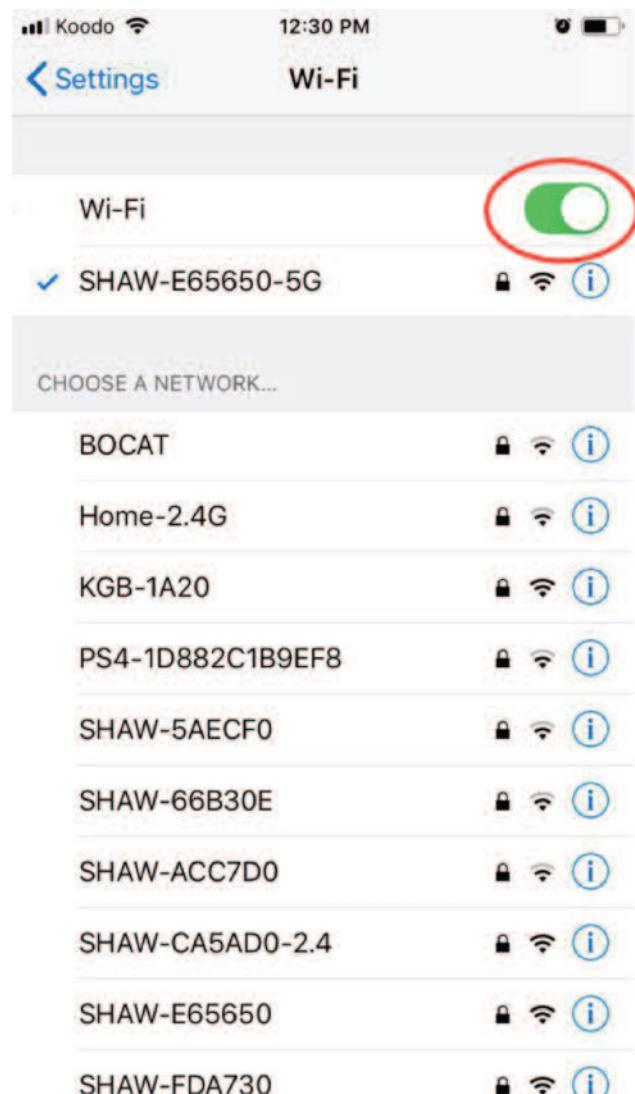

Connect to a WiFi Network

3. Tap the button to turn WiFi on/off

Android

iPhone

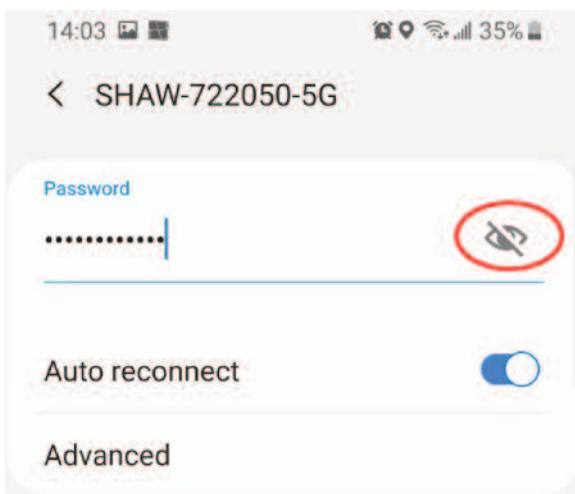

Connect to a WiFi Network

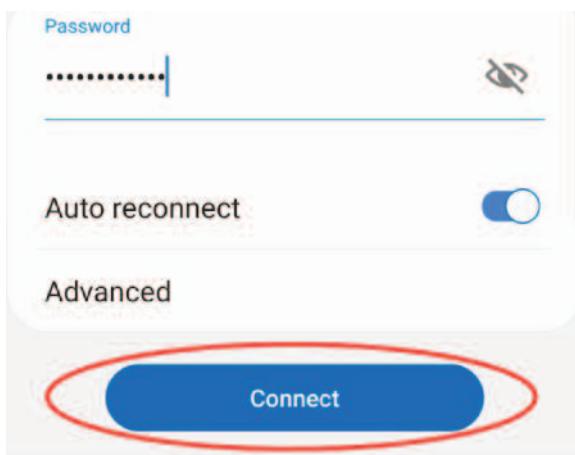

1. Tap the network

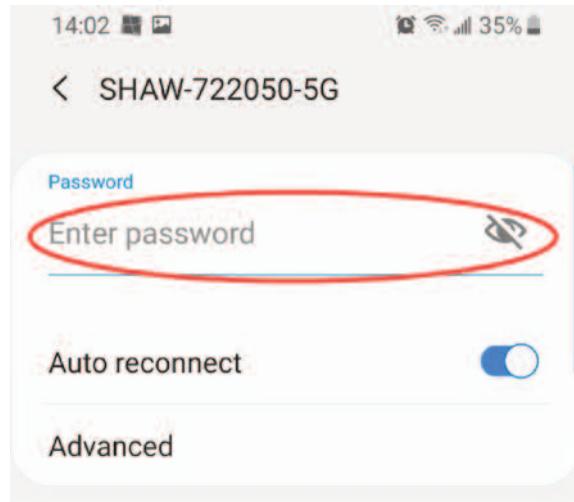

3. Click on the eye to see the password
(Android only)

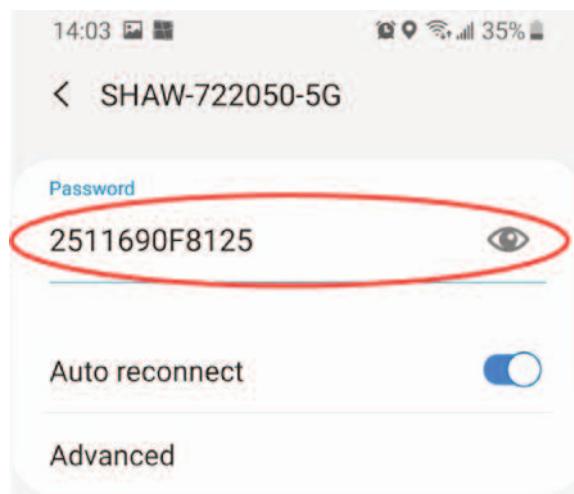

5. Tap 'Connect' button

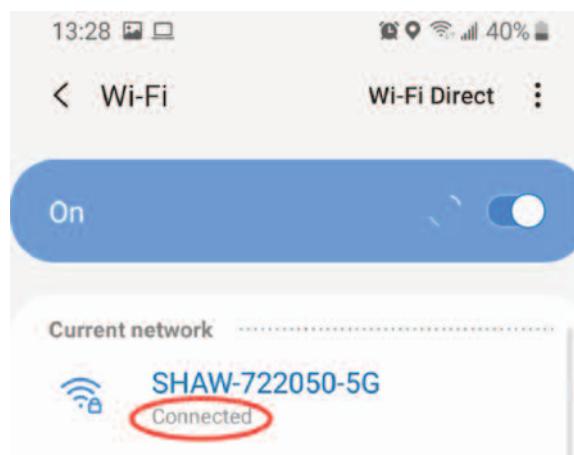

2. Enter the password

4. Check the password
(Android only)

6. You are connected!

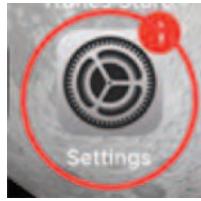

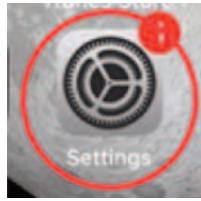

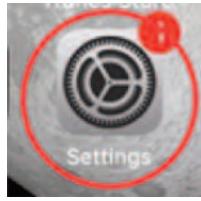

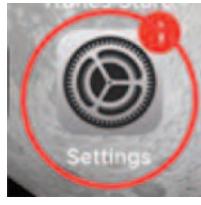

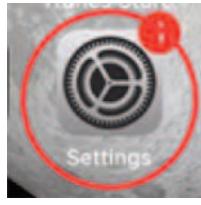

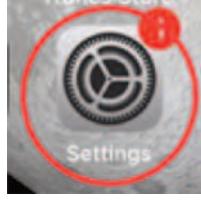

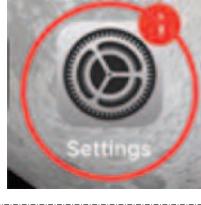

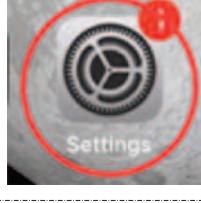

Connect to a WiFi Network – iPhone

Steps 1, 3 and 6 are missing. Find the steps and their pictures. Paste on your paper.

1.	
2. Tap WiFi.	A screenshot of an iPhone's WiFi settings screen. At the top, there is a blue button with a white signal icon labeled "Wi-Fi". To its right is the word "Off" and a grey arrow pointing right. Both the "Wi-Fi" button and the "Off" button are circled in red.
3.	
4. Tap the network you want to connect to.	A screenshot of an iPhone's WiFi network list. It shows a single network named "ISSofBC Shaw Staff" followed by a lock icon and an information icon (a blue circle with an "i").
5. Type the password.	A screenshot of an iPhone's password entry screen. It displays a text input field with the placeholder "Password" and a red cursor. Above the input field, the text "Enter the password for 'ISSofBC Shaw Staff'" is visible. Below the input field are three buttons: "Cancel", "Enter Password" (which is bolded), and "Join". The "Password" input field is circled in red.
6.
