

Learner Instructions: How to let your Tutor have Remote Control of your Computer During a Zoom Session

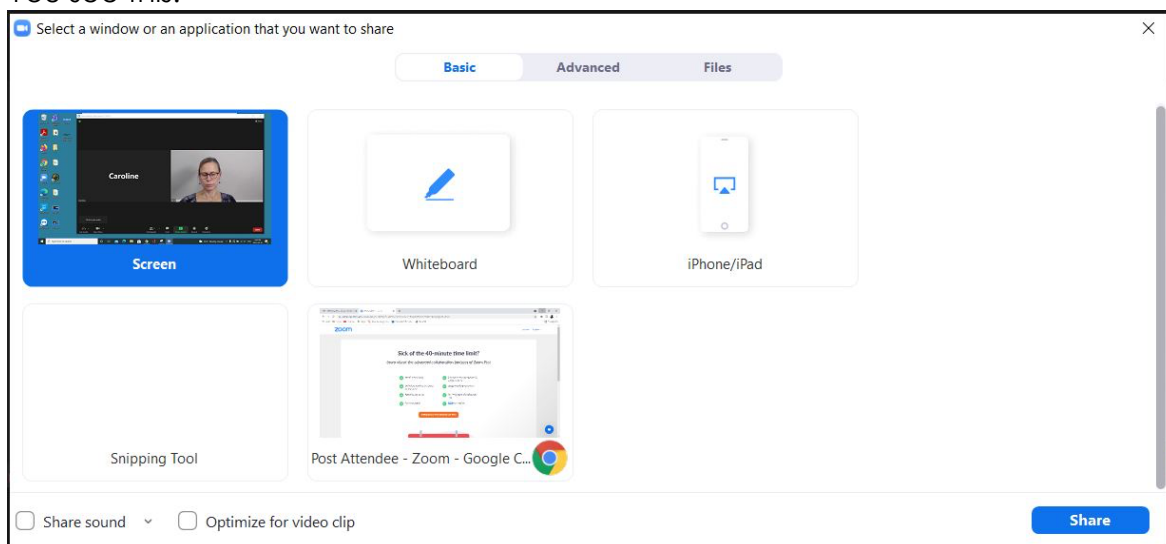

1. Find the green **Share Screen** icon:

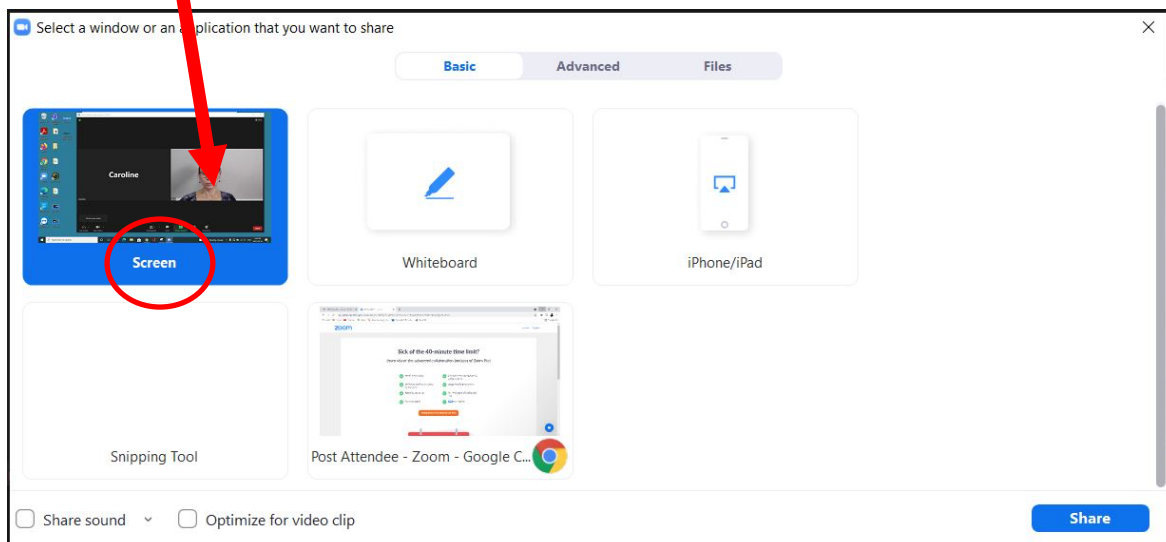

2. Click on it.

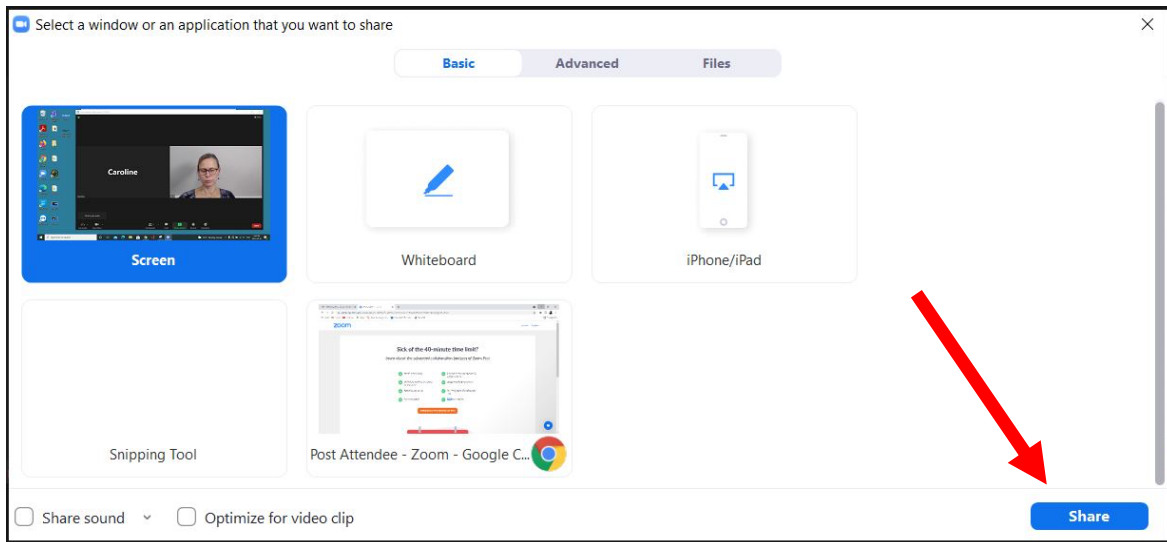

3. You see this:

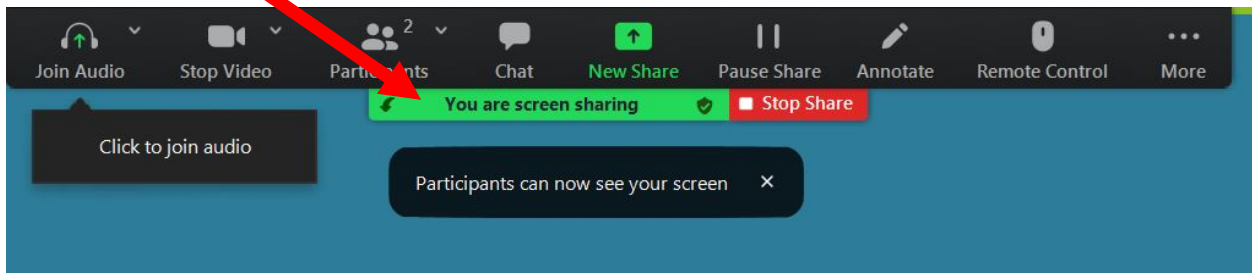

4. **Screen is blue. That means it is already chosen.**

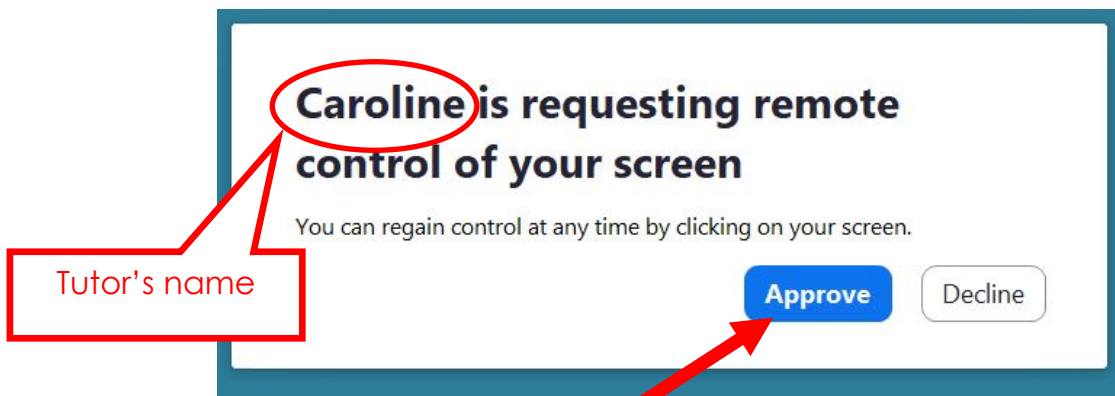

5. Click on **Share**.

6. You see this:

7. Then you see this:

8. Click **Approve** (if you agree it's ok)

9. Now the tutor has remote control of your computer.
